04/22/22

Fort Hays State University will announce the details and naming of a new athletic complex in a press conference on Wednesday, April 27. The public is invited to the announcement, set for 1:30 p.m. in the Schmidt-Bickle Indoor Training Facility on the campus of Fort Hays State University.

Accomplishments and Happenings

KWEC TO OFFER WATER SCIENCE CAMP THIS SUMMER

04/21/22

Fort Hays State University's Kansas Wetlands Education Center (KWEC) is offering a "Let's Talk Water Science" summer camp for students who have completed grades 7, 8, or 9. The event – set for Thursday, June 9, and Friday, June 10 – is being co-sponsored by the KWEC, the City of Hays Water Resources Department, Kansas Center for Agricultural Resources and the Environment, and K-State Research and Extension Cottonwood District (Barton and Ellis counties).

ANNUAL TECHNOLOGY EDUCATION FAIR ON TAP AT FHSU

04/20/22

The 63rd annual Western Kansas Technology Education Fair at Fort Hays State University is set for 8 a.m. to 3:30 p.m. Friday, April 29, in Gross Memorial Coliseum. The fair offers the opportunity for junior high and high school students from around the state who are enrolled in technology education classes to display their projects they have worked on this school year.

NASA'S SPACEX MISSION THE TOPIC OF FHSU'S NEXT SCIENCE CAFÉ

04/19/22

Fort Hays State University's Science Café for April is set for Monday, April 25. The monthly presentation about science, sponsored by FHSU's Science and Mathematics Education Institute (SMEI), will begin at 7 p.m. at The Venue in Thirsty's Brew Pub & Grill, 2704 Vine.

FHSU STUDENTS PRESENT AT STATE CONFERENCE

03/25/22

Emma Reif and Nathan Stark, FHSU math education majors and Robert Noyce Teacher Scholarship recipients, presented at the Kansas Association of Teachers of Mathematics (KATM) state conference on Friday, March 25, at Emporia State University. Their presentation, "Building Thinking Classrooms" was a result of a book study in the Noyce Seminar.
