Our Communities

Living on campus is a great way for students to get connected to campus and they will have the opportunity to participate in many social and educational opportunities. We can't wait to welcome you to the Tiger Family!

McMindes Hall

McMindes Hall, a co-ed hall available for first-year and returning students. This hall encourages academic and social interactions to engage all students. The main on-campus dining facility is located in McMindes.

Victor E. Village

Victor E. Village houses primarily first-year students, and was intentionally designed to empower new students to make a successful intellectual and social transition to college life through Living Learning Communities.

Agnew and Heather Hall

Known together as Tiger Place, these communities offer suite-style living for upper-level students and when space is available, first year students.

Tiger Village

Tiger Village is our themed housing for the on-campus sororities and the Honors College.

Dane G. Hansen Hall

This hall serves as a living space for a select group of 33 students who have a passion for entrepreneurship. A separate application is required.

Stadium Place

Stadium Place offers students comfortable accommodations with apartment-style living for upper-level students. Both two- and four- bedroom furnished apartments are available.

Wooster Place

Family friendly, but open to FHSU upper-level students as well, Wooster Place offers both one- and two- bedroom unfurnished apartments.

Get Involved

Community Council

Every hall or community has a council that plans social events to keep residents engaged and involved. The council also serves as a voice for students and their concerns.

Residence Hall Association

The group is the governing body of all students living on campus. RHA hosts large scale events every semester.

National Residence Hall Honorary

This group is the top 1% of student leaders in residential life, providing leadership, recognition, and service opportunities.

Community Assistant

CAs are full-time students who are trained to provide programs, peer advising and support, as well as ensure policies are observed and followed by all residents.

Desk Assistant

DAs are the central hub of services for residents. The desks are responsible for distributing mail and packages, assisting visitors and residents, and checking out recreational and cleaning equipment.

Safety and Security

Student safety and security is very important to us. Residential Life staff members are on call 24/7 along with the University Police Department Officers. Student rooms and buildings are secured by either key card access or traditional keys and our buildings feature state of the art camera systems covering all common spaces.
