

110 WEST 11TH STREET, HAYS, KS

SCIENCE CAFE

- CASUAL
 - PRESENTATIONS
 - DISCUSSION
 - TRIVIA
 - PRIZES
 - FUN
- presented by:*
- Cafe Semolino is leading a revolution in communicating science in the U.S. This revolution is taking place in cafes, bars, bookstores, libraries, museums and theaters. Science Cafes help the public connect with science. Scientists and engineers informally share their research during a conversational exchange in a friendly setting.*

John Heinrichs

FHSU Geosciences Professor
