Important Notification

GRE – At Home Testing is now available for a limited time for candidates affected by test center closures and restrictions as a result of COVID-19. When registering for your exam select the *Test at Home* option for more information.

We are committed to serving test takers with disabilities or health related issues by providing reasonable services and appropriate accommodations. If you feel that you have a disability that requires an accommodation, please request this accommodation through ETS Disability Services at 1-866-387-8602 and have it approved before you register for the test.

About the Test

- **Verbal Reasoning measures your ability to:**
 - analyze and draw conclusions from discourse; reason from incomplete data; identify author's assumptions and/or perspective; understand multiple levels of meaning, such as literal, figurative and author's intent
 - select important points; distinguish major from minor or relevant points; summarize text; understand the structure of a text
 - understand the meanings of words, sentences and entire texts; understand relationships among words and among concepts
- **Quantitative Reasoning measures your ability to:**
 - understand, interpret and analyze quantitative information
 - solve problems using mathematical models
 - apply basic skills and elementary concepts of arithmetic, algebra, geometry and data analysis
- **Analytical Writing Section measures your ability to:**
 - articulate complex ideas clearly and effectively
 - support ideas with relevant reasons and examples
 - examine claims and accompanying evidence
 - sustain a well-focused, coherent discussion
 - control the elements of standard written English
