Transfer Guide

Barton County Community College and **Fort Hays State University** have partnered to offer this Transfer Guide for students wishing to pursue Elementary Education. Students are encouraged to work with their advisor to ensure a smooth transition to FHSU. Completion of this degree will provide students the opportunity to seek Kansas teaching licensure in Elementary Education K-6.

Students are required to successfully finish the curriculum listed on this guide and to meet any college, university, and/or state requirements for degree completion. Program degree requirements are subject to changes on the basis of program improvement and to meet state licensure requirements. If transition to FHSU occurs before 45 hours are complete, the student may be subject to additional course requirements.

Admission Procedures

Prior to enrolling at FHSU, students should apply for admission to FHSU as well as admission to the Teacher Education Program. Admission to Teacher Education is a pre-requisite for restricted upper division major courses and field work.
