Transfer School Degree

FHSU anticipates accepting these courses as transfer credit, and applying them toward the degree program as listed. However, this document is intended as a guide and is not a binding agreement of transfer, as articulation, degree, and program requirements can change over time.

To ensure a seamless transition, please work closely with your academic advisor and inform them you plan to attend FHSU. Variations to the assumptions in this document, including substitutions and additional transfer courses, may alter these numbers! Students need to be especially careful when exceeding 60 hours at the transfer school.

University Wide Degree Requirements

GPA Requirement

FHSU considers the following three GPAs: all coursework GPA, FHSU coursework GPA, and the major coursework GPA. All FHSU degrees require 2.0 GPA. Some programs have higher GPA requirements.

Upper Division Requirement

All degrees require a minimum of 45 hours of credit taught at the upper division. To qualify, the institution granting the credit must grant degrees at the baccalaureate level, or above, and consider the credit to be upper division, or junior level, and above. Courses anticipated to meet this requirement are indicated with “U” in the Division (D) designation. This requirement is separate from any requirement to take a course. FHSU allows courses taught at the lower division with similar content to an FHSU upper division course to satisfy the requirement for the course with approval of FHSU faculty – but only courses taught at the upper division can apply to the upper division requirement.

BBA: Finance (None): No additional upper division credit hours projected (48)

BBA: Finance (Banking): No additional upper division credit hours projected (48)

BBA: Finance (Economics): No additional upper division credit hours projected (48)

BBA: Finance (Financial Planning): No additional upper division credit hours projected (48)

120 Credit Hour Requirement

All FHSU degrees require a minimum of 120 credit hours.

BBA: Finance (None): 1 additional open elective credit hours projected

BBA: Finance (Banking): 1 additional open elective credit hours projected

BBA: Finance (Economics): 1 additional open elective credit hours projected

BBA: Finance (Financial Planning): 1 additional open elective credit hours projected
