Transfer Guide

Barton Community College and **Fort Hays State University** have partnered to offer this Transfer Guide for students wishing to pursue Elementary Education. Students are encouraged to work with their advisor to ensure a smooth transition to FHSU. Completion of this degree prepares students to seek Kansas teaching licensure in Elementary Education K-6.

Students are required to successfully finish the curriculum listed on this guide and to meet any college, university, and/or state requirements for degree completion. Program degree requirements are subject to changes on the basis of program improvement and to meet state licensure requirements. All students must adhere to the following guidelines:

- ❖ If transition to FHSU occurs before 45 hours are complete, the student may be subject to additional course requirements.
- ❖ 60 credit hours with a passing grade must be earned from a regionally accredited baccalaureate degree-granting institution.
- ❖ 30 credit hours with a passing grade for a bachelor's degree must be earned from Fort Hays State University. Pass/No credit or Credit (CR) does not count towards the 30 semester hours.
- ❖ 45 credit hours in upper-division courses numbered 300 and above are required for graduation.
- ❖ Completion of at least 120 hours of credit with a passing grade.
- ❖ Minimum grade point average of 2.00 for the cumulative GPA and for all courses in the major, unless the department specifies a higher GPA (such as Allied Health, Nursing, Social Work, and Teacher Education).

Admission Procedures

Prior to enrolling at FHSU, students should apply for admission to FHSU as well as admission to the Teacher Education Program. Admission to Teacher Education is a pre-requisite for restricted upper division major courses and field work. Please review the links below for information on the admission requirements and the applications for admission.
