## Transfer Guide

**Seward County Community College** and **Fort Hays State University** have partnered to offer this Transfer Guide for students wishing to pursue Health Studies. Students are encouraged to work with their advisor to ensure a smooth transition to FHSU. The Bachelor of Science in Health Studies degree program is an online, post-professional degree completion program for individuals who possess professional credentials in a clinically-based allied health discipline from a community college or technical program. The course of study is designed to provide career and academic advancement for current practitioners who wish to assume increasing responsibility in their current positions or in a related area of health care.

Students are required to successfully finish the curriculum listed on this guide and to meet any college, university, and/or state requirements for degree completion. Program degree requirements are subject to changes on the basis of program improvement and to meet state licensure requirements. All students must adhere to the following guidelines:

- ❖ If transition to FHSU occurs before 45 hours are complete, the student may be subject to additional course requirements.
- ❖ 60 credit hours with a passing grade must be earned from a regionally accredited baccalaureate degree-granting institution.
- ❖ 30 credit hours with a passing letter grade of A, B, C, or D for a bachelor's degree must be taken from Fort Hays State University. Pass/No credit or Credit (CR) does not count towards the 30 semester hours.
- ❖ 45 credit hours in upper-division courses numbered 300 and above are required for graduation.

## Admission Procedures

Prior to enrolling at FHSU, students should apply for admission to FHSU. Please review the links below for information on the admission requirements and the application for admission to FHSU.

FHSU Admissions:

- ❖ Admission Requirements, [www.fhsu.edu/admissions/admission-requirements/](http://www.fhsu.edu/admissions/admission-requirements/)

**Notice of Non-discrimination:** Fort Hays State University does not discriminate on the basis of gender, race, religion, national origin, color, age, marital status, sexual orientation, disability or veteran status in its educational programs, employment and all other activities. In addition, the university does not discriminate on the basis of a person's genetic information. FHSU is committed to an environment in which students, faculty, administrators, and staff work together in an atmosphere free from all forms of discrimination, harassment, exploitation and intimidation, including, but not limited to, verbal, physical, or written behavior directed toward or relating to an individual or group on the basis of their protected class status. Individuals who believe they have been discriminated against or harassed on the basis of their protected class status or are victims of sexual harassment should report such acts to the university Equal Employment Opportunity Officer who will assist the grievant in seeking redress through the appropriate procedure. The university's Discrimination and Harassment Complaint Procedure applies to grievances involving students, administrators, faculty or staff. The EEO Officer may be contacted at 600 Park Street, Hays, KS 67601, (785) 628-4033.
