FHSU BIOLOGICAL SCIENCES GRAD'S JOURNEY LEADS TO DIRECTOR ROLE

12/18/23

Mackenzie Reh never questioned her commitment to completing her graduate program, even while spending weeks searching the Kansas badlands for the often-elusive Chihuahuan Green Toad. On the contrary, Mackenzie credits the hands-on experiences of her research and coursework, part of the requirements to complete her M.S. in Biological Sciences at Fort Hays State, as key to her growth and future success.

TRANSFORMING ENTOMOLOGY TO ADAPT TO GLOBAL CONCERNS: 2021 STUDENT DEBATES

07/01/23

Dr. Sarah Elzay, assistant professor of biological sciences, published an article in the July edition of the Journal of Insect Science.

OPPORTUNITIES FOR MAXIMIZING THE DIETARY QUALITY OF FAD DIETS

10/23/23

Jessica Phelan, assistant professor of health and human performance, published an article in "Nutrients." The article seeks to determine the dietary quality of popular fad dietary patterns among Americans.

[THE EXPLORER'S GUIDE TO TEACHING ELEMENTARY SCIENCE](#) 12/01/23

Dr. Matthew Clay, assistant professor of teacher education, published a textbook through Great River Learning. The book is for pre-service elementary science teachers, integrating 360 videos to practice and develop questioning skills and strategies to use in the classroom.

global engagement

[THE FAFSA SIMPLIFICATION ACT WILL EXPAND THE FEDERAL PELL GRANT TO MORE STUDENTS](#)

12/15/23

The Financial Assistance Office highly recommends that all families fill out the FAFSA. There is no downside to submitting the FAFSA for 2024-25 and applying early.

[LEADERSHIP 310 STUDENTS TAKING ACTION IN THE HAYS COMMUNITY](#)

12/20/23

For more than two decades, FHSU's Leadership 310 course has impacted communities through hands-on service-learning projects. Leadership 310: Field Work in Leadership Studies is an upper-level course at Fort Hays State University that encourages students to make a difference through real-world service-learning projects.

[FHSU SHOTGUN TEAM CONTINUES DOMINANCE IN FALL SEASON](#)

12/21/23

The FHSU Shotgun Team once again proved its prowess in the shooting sports, achieving remarkable success during the fall 2023 season. Notably, the team comprises 36 members, with 20 on the varsity team and 16 on the junior varsity team. With a rich history and a roster of talented athletes, the team has solidified its reputation as one of the finest in the nation.
