

FHSU Online Advisory Committee

Chair: Kelsi Broadway

Description: The FHSU Online Advisory Committee cultivates strategies and improves current policies and procedures to enhance the student experience at FHSU. The committee sends recommendations for academic programming, retention, and recruitment to the Provost and Vice President of Student Affairs for review. The committee's focus is to:

- Identify leading indicators for online student success
- Identify barriers to online student success
- Review current online student support services for accessibility and effectiveness
- Propose new or updated targeted supports for online students
