

Student Affairs Student Employee Think Tank Committee

Chair: Edie McCracken

Description: The Student Affairs Student Employee Think Tank Committee is charged to develop a division-wide program to positively impact and measure student learning through on-campus student employment within the division of student affairs. Program aspects should include:

- Identification of relevant division-wide learning outcomes for student employees
- Identification of the appropriate assessment approach (i.e. qualitative, quantitative) and instrument(s)
- Design of a unified process (and instructions for departments)
- Development of a training program for departments

Key (Academic Year) Accomplishments

- Hosted 2 days of roundtables each semester for student employee supervisors to share ideas and resources and discuss any current issues
- Hosted training attended by 54 student employees in the Division to focus on transferable skills/resumes and stress management.
- Held a professional development workshop for student employee supervisors focused on setting expectations, accountability, and transferable skills.
- Recognition of graduating student employees in the Division
