## Overview:

The Office of the Registrar helps students from the beginning and throughout the educational journey--from admission application to final degree check. The office assists students with interpreting university policies and degree requirements, fulfilling transcript requests, or verifying current enrollment for insurance purposes. The office maintains the quality, accuracy, safekeeping, and confidentiality of all records of current and former students.

## Points of Pride: 2025 - 2026

- ❖ Implemented Workday academic foundation update of Huron-led ERP Exploration
- ❖ Combined three undergraduate levels into one
- ❖ Implemented Workday Addable Stackable and concentration functionality
- ❖ Backfilled missing data on thousands of historical records in Workday
- ❖ Admitted and processed over 2,087 students in 3 days to support Apply Kansas Days
- ❖ Converted from external Academic Probation and Suspension Policy to Academic Standing Policy driven by Workday
- ❖ Began implementation of new Transfer Credit Policy and Procedure
- ❖ Further reduction of time and increased volume of articulations leveraging Articulation Specialist and Intake Analyst seasonal help
- ❖ Refined Kansas System-wide Reverse Transfer student opt-in and transcript exchange
- ❖ Implemented free transcript request fulfillment between affiliate institutions
- ❖ Refined Application for Admission review process
- ❖ Selected to participate in the Workday Early Adopter Program regarding transfer data capture and AI articulation Administrative Agent
- ❖ Re-established student self-service address update process in Workday onboarding
- ❖ Reduced errors in both the FVT-GE and Enrollment Reporting processes with the National Student Clearinghouse
- ❖ Continued testing of SPEEDE inbound and outbound integration with Workday

- ❖ Added a new tab viewable to advisors and administration that shows withdrawal and refund dates
- ❖ Further refined Application for Program Completion (APC) process for a better student experience

**Focus Areas for Registrar’s Office** (goals for next academic year)

- ❖ Continue to emphasize the need to do as much as possible in Workday
- ❖ Continue to emphasize the need to connect every student to an academic plan experience in Workday
- ❖ Continue to focus on delivering services to students as students first
- ❖ Implement new Transfer Credit Policy
- ❖ Explore efficacy of admission acceptance process
- ❖ Implementation of Workday Preliminary Transfer Credit Evaluation functionality
- ❖ Explore the use of Workday Student Leave of Absence functionality
- ❖ Complete testing and implement SPEEDE across Kansas institutions
- ❖ Student self-service transcript ordering and automation within Workday

**By the Numbers:** (data from current academic year)

<b>Course Sections Offered by Location and Period</b>					
<b>Location</b>	<b>Summer 2025</b>	<b>Fall 2025</b>	<b>Intersession 2026</b>	<b>Spring 2026</b>	<b>Summer 2026</b>
On Campus	110	1437	0	1396	98
