

**Overview:** The mission of your department.

The mission of the Financial Assistance Office is to enhance the student learning and personal development through the administration of federal, state and local financial assistance and scholarship programs. In particular, the areas of service, counseling, information distribution, compliance, and aid equity will be emphasized.

**Points of Pride:** (for reporting academic year)

- ❖ In the Financial Assistance office implemented the Workday Financial Aid module to begin being fully integrated with Workday beginning August 2023
- ❖ Campus Logic was phased out and new verification processes were developed for document collection utilizing Workday
- ❖ A new FTE position was created to assist with verification and scholarships
- ❖ Awarding additional \$2.4 million Kansas Comprehensive Grant funding and developed match reporting
- ❖ Continued improvement of reporting for RNL analysis

**Focus Areas for 2023-2024** (goals for next academic year)

- ❖ FAFSA Simplification implementation for the 2024-2025 awarding cycle
- ❖ Continue planning, configuration, and implementation for the Workday Financial Aid module to begin disbursing August 2023
- ❖ Create a training plan for the Financial Assistance Office to ensure cross training and help with continuity within the department.

**By the Numbers:** (data from current academic year)

- ❖ As of June 6, 2023 11,373 federal applications (FAFSAs) have been received for the 2021-22 award cycle.
- ❖ 7,332 students were awarded \$66,780,918 in all types of aid.
